In order to access our full range of activities and events, children will need to have a formal written diagnosis of ASD.

Our Mission

Improving the lives of all affected by autism.

Our Vision

- That families living with autism are able to maximise their quality of life.
- That people with autism can live in a society where their skills and talents are appreciated and valued.
- That all those on the autistic spectrum are treated with dignity and respect.

Introduction

Bexley NAS are a parent led voluntary group, all of who are parents of children who are on the Autism spectrum.

What We Do

- We organise a wide range of family activities and events aimed at children and young people up to the age of 25.
- We support Bexley Voice coffee mornings, which are friendly, relaxed and informal. We can provide support advice and information.
- We have parents with many years experience of dealing with and understanding the difficulties of parenting a child with autism.

Bexley NAS

Autism is a life long communication disorder, which leaves many parents feeling isolated and unsure where to turn for help.

- Has your child been given a diagnosis of Autistic Spectrum Disorder, or are they waiting for a diagnosis?
- Do you live in the London Borough of Bexley?
- Join Bexley NAS for on-going support and information.
