Dad's Support Network  
platform for dads and  
male caregivers of children  
living with autism.

# Dad's Support Network

## Let's hear it for the dads!

Dads can deal with living with an autistic child very differently to mums. Connect with other fathers on this Autism journey!

Share your challenges, successes, and gain support and learn from each other's experiences – within a safe space.

There will be scheduled bespoke workshops/ activities for dads on the platform.

Diagnosis is not required. Dual diagnosis families are welcome to join the platform.
